

Complimentary Shuttle Service

Complimentary shuttle service will be provided between the Oregon Convention Center and the hotels listed under the Routes on this flyer. Some hotels will be required to use the Max Rail to the Oregon Convention Center.

The hotels on *Routes 3, 4 & 5*, are a good distance from the Convention Center and will require busy interstate travel at peak hours. It is strongly suggested that you leave early for the Convention Center. *Route 1* will have limited service due to close proximity to Max rail.
